**GOSPEL CITY  
NETWORK**

We believe that true transformation comes through the Gospel of Jesus Christ, with the church as the primary vehicle for spreading and embodying the gospel. We train, equip, and encourage church planters and mission-minded churches and leaders to be vibrant in health, theology, and mission resulting in reproducing churches.

**MULTIPLICATION**

# CHURCH MULTIPLICATION

**KEY**

**ACTIVITIES**

Our flagship trainings are the Incubator and the Intensive, designed to equip and support church planters, mission-minded leaders, and church revitalisers through various modes and duration.

**6 M**

**HIGHLIGHTS**

We held our first Mandarin Mini Intensive with 43 participants from different cities in Malaysia and a significant number from Singapore. Over three days, we covered theological vision, gospel theology, and gospel renewal modules, and provided time for regional collaboration discussions.

**GOSPEL CITY  
NETWORK**

We believe that the gospel through the truths of Scripture and the power of the Holy Spirit transforms individuals, leading to the flourishing of church communities and cities. By focusing on gospel renewal of hearts, churches, and cities, we desire to see healthy churches driven by deep faith, repentance, and a fresh grasp of God's grace.

**KEY**

**ACTIVITIES**

## *Local Church*

We offer ReVision workshops to align the local church with a common mission, articulating their God-given calling and fostering consensus on how to achieve it. In two days, the workshop identifies goals, interventions, and programs to actualize the envisioned future.

## *Ministry-Minded Women*

Through Parakaleo Malaysia, we support women in ministry by creating safe spaces for them to share challenges and equipping them with practical theology and tools to stay resilient amidst busyness and ministry challenges.

**KEY**

**ACTIVITIES**

## *City*

We engage the city with gospel-centred content through short webinars and in-person seminars, offering accessible learning experiences.

Through Greenhouse Publishing, we publish titles that nurture gospel growth and release monthly free ebooks on our online platform. Our aim is to provide quality, affordable resources.

6 M

**HIGHLIGHTS**

We conducted a ReVision workshop to help participants clarify their vision and next steps for living out God's calling. It was a fruitful time of brainstorming and unity. Through renewal seminars and Parakaleo events, we connected with Christians in various ministries, refreshing them with the beauty and power of the gospel.

**GOSPEL CITY  
NETWORK**

Through Faith and Work Initiatives, we engage our city by facilitating discussions and providing resources for churches to disciple their congregants as ambassadors of God at work. Given that Kuala Lumpur ranks among the top three most overworked cities, this focus is particularly vital. By addressing our unique culture, we aim to empower believers to bring gospel impact to their workplaces.

**ENGAGEMENT**

KEY

ACTIVITIES

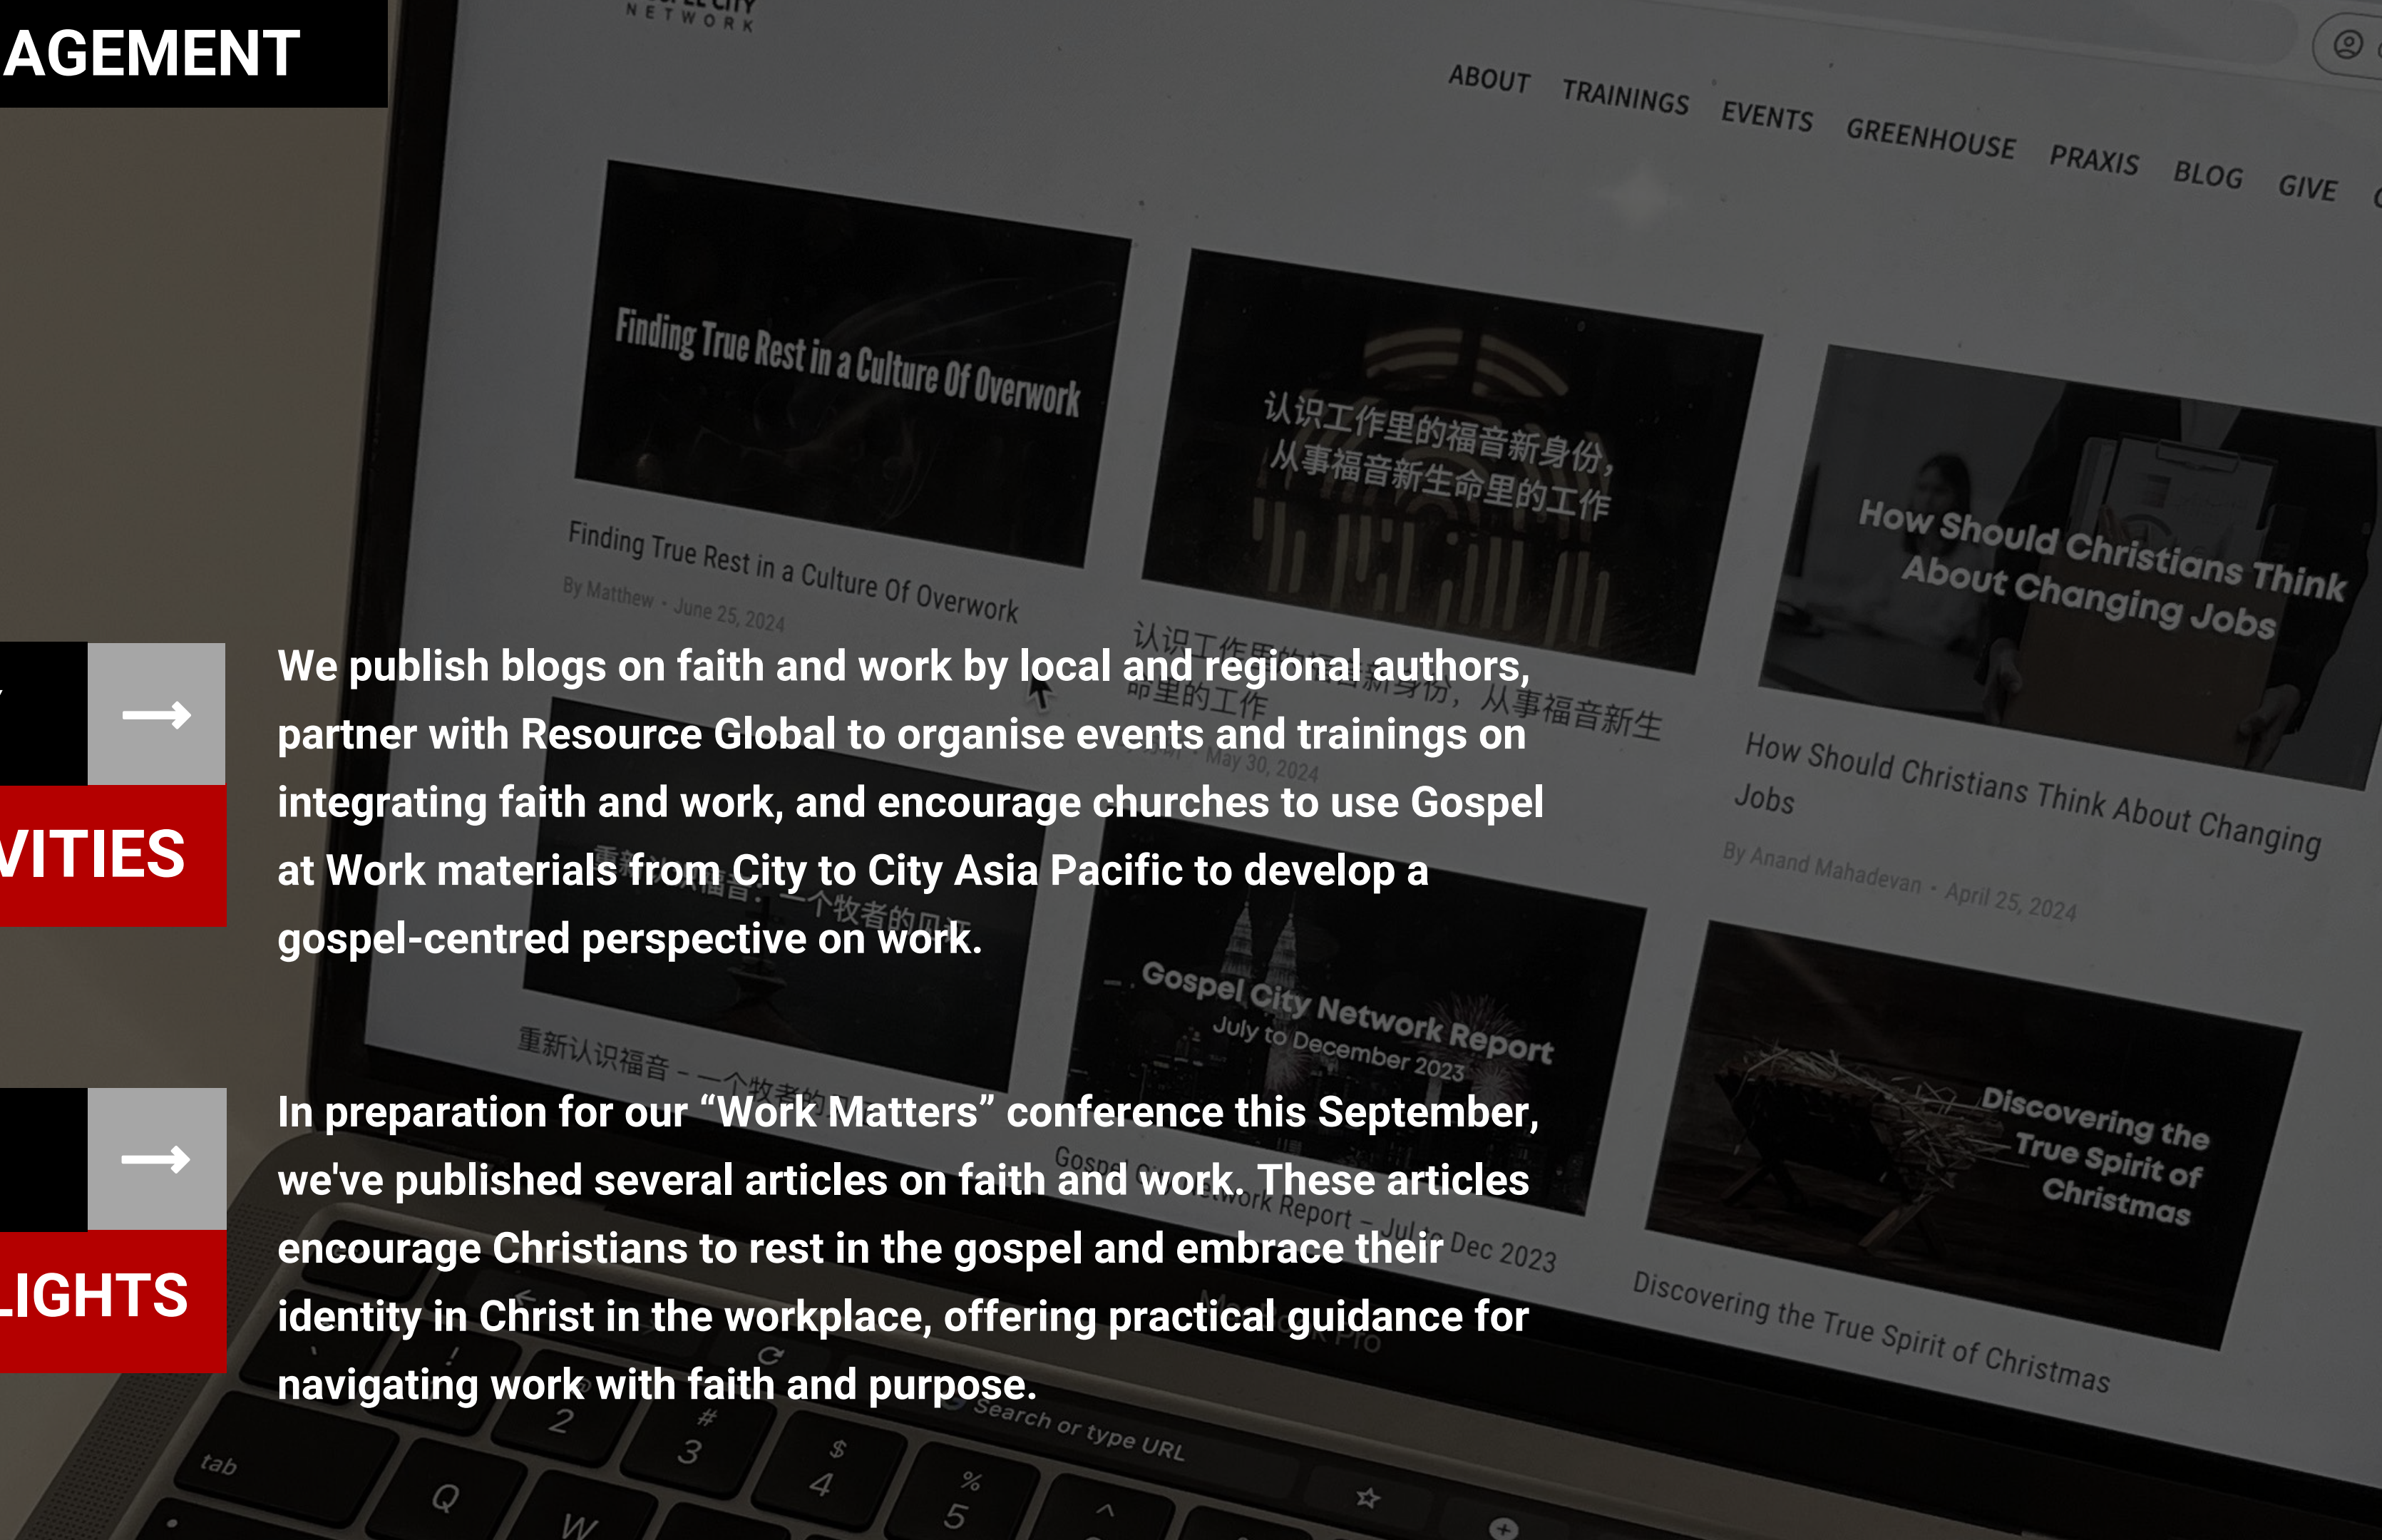

We publish blogs on faith and work by local and regional authors, partner with Resource Global to organise events and trainings on integrating faith and work, and encourage churches to use Gospel at Work materials from City to City Asia Pacific to develop a gospel-centred perspective on work.

HIGHLIGHTS

In preparation for our “Work Matters” conference this September, we've published several articles on faith and work. These articles encourage Christians to rest in the gospel and embrace their identity in Christ in the workplace, offering practical guidance for navigating work with faith and purpose.

**GOSPEL CITY  
NETWORK**

We recognize that addressing the city's needs requires collaboration beyond individual groups. Our goal is to foster a transdenominational coalition of leaders united by the gospel, respecting denominational distinctives.

**COLLABORATION**

**OF LEADERS**

# COLLABORATION OF LEADERS

**KEY**

**ACTIVITIES**

We organize networking events, dialogues, and consultations to connect leaders from diverse backgrounds, encouraging collaboration through prayer, idea sharing, and resource pooling.

**6 M**

**HIGHLIGHTS**

At our annual celebration dinner, we gathered over 100 partners, donors, and participants to celebrate the past year and share this year's focus. In addition, a Klang Valley Church Planting Dialogue brought together 35 leaders to discuss gospel-shaped leadership, challenges in developing church leaders and planters, and strategies for overcoming these obstacles.
